

# ALEX WOLFF

---

## SUMMARY

I've been a film-maker since a young age. It's always been the career path I've been drawn to. Making films all throughout elementary school and following that with an education at Orange County School of the Arts. Following that with breaking out into freelance and continuing to evolve with numerous projects under my belt.

---

## EXPERIENCE

**Video Director/Editor, 01/2024 - 08/2024**

**Forge Media Group - Lake Forest, CA**

Headed a production on Forge coffee as well as lead edited said project. Also helped editing other projects. Collaborated with other members of the creative team to ensure that all video content edited was consistent with established brand standards.

**Videographer/Video Editor, 05/2023 - 11/2023**

**First Team Real Estate - Anaheim**

Set up and operated a camera, audio recorders, lighting equipment as well as edited a advertising video for real estate agents looking to apply to First Team Real Estate.

**Lead Video Editor, 02/2023 - 04/2023**

**Tethos Creative - Santa Ana, CA**

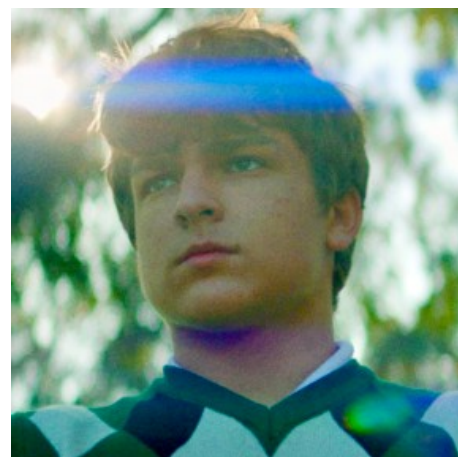

Working as an editor provided valuable experience in developing strong editing skills, understanding the creative process, working under tight deadlines, becoming proficient with different editing software, and developing a keen eye for detail.

This specific project involved a client with a philanthropist company called Telea Insights working with the Ellen Fund.
