## SUMMARY

I've been a film-maker since I was very young. It's always been the career path I've been drawn to. Making films all throughout elementary school and following that with an education at Orange County School of the Arts. Following that with breaking out into freelance and continuing to evolve with numerous projects under my belt, having me on your team or as a solo content creator is a indispensable due to my continued focus on my craft.

---

## EXPERIENCE

### **Video Director/Editor, 01/2024 - 08/2024**

#### **Forge Media Group - Lake Forest, CA**

Headed a production on the Forge Coffee line as well as lead editing on said project. Also helped editing a podcast and sample piece about a local Irvine company's headquarters. Collaborated with other members of the creative team to ensure that all video content edited was consistent with established brand standards.

### **Head of Media Content Creation, 08/2024 - 01/2025**

#### **Star Motor Werks - Newport Beach, CA**

Headed media content creation at StarMotorWerks. Was responsible for planning, filming, and editing a episodic series show documenting car workshop activities as well as social media shortform content. Was the only creative on-site so all creation from start to product was me.

### **Videographer/Video Editor, 05/2023 - 11/2023**

#### **First Team Real Estate - Anaheim**

Set up and operated a camera, audio recorders, lighting equipment as well as edited a advertising video for real estate agents looking to apply to First Team Real Estate.

### **Lead Video Editor, 02/2023 - 04/2023**

#### **Tethos Creative - Santa Ana, CA**

Working as an editor provided valuable experience in developing strong editing skills, understanding the creative process, working under tight deadlines, becoming proficient with different editing software, and developing a keen eye for detail.
